Messe München and Elektor are proud to present the latest edition of their global electronics start-up competition:

productronica Fast Forward – the start-up platform powered by Elektor. The start-up and maker scenes are changing the electronics landscape. More and more innovations are coming from new players in the electronics sector. In cooperation with Elektor, productronica provides a unique platform that brings together innovative ideas, prototypes, products or services and a broad, international and very relevant audience of industry representatives.

Sponsor productronica Fast Forward 2019

By sponsoring productronica Fast Forward you can help foster start-up innovation and position your company as a leader in the worldwide electronic manufacturing industry. Contestants have a chance to present their innovations to more than 250,000 Elektor community members, as well as 45,000 estimated attendees who will visit productronica 2019 in Munich (12–15 November 2019).

As a productronica Fast Forward sponsor, you will receive a comprehensive media campaign comprising on-site productronica promotions, magazine advertising, online banners and more. A variety of sponsorship packages are available to meet your needs.
